- C Providers of food at the Fair must comply with revised requirements (Rules C1 and C2)

stalls around the field and in the marquee it is important that you specify the general type of stall, ie tombola, bric-a-brac, food (type of), games, jewellery, clothes, crafts, etc. Please be aware that if you sell items other than those specifically agreed with us you may be asked to stop trading.

7 **ALCOHOL-FREE SITE:** The authorities have instructed that for those stallholders who plan to run a Bottle Tombola (or similar) the following guidelines must be adhered to:

You must advise the winner that:

- a) They must not remove the ticket from the bottle as this shows that it is a prize won at the Fair.
  - b) They must wrap the bottle and place it in a bag and not open or show the bottle when on the Fair site.
  - c) If possible and their car is parked locally, they should place the bottle in their car. If not, keep it with them in their bag.
- An alternative is for you as the stallholder to write the name (and address) of the winner on a label and attach it to the winning bottle and retain the bottle on your stall until the end of the Fair, (or when the winner decides to leave the Fair), when they will come and claim their prize.
- 8 Please ensure that you enter the correct Stall/Table and Category/Quantity on the Form, and pay the correct plot fee. If in doubt, please ask before returning the Form. Note that stall fees are non-refundable under any circumstances.
  - 9 All stallholders collecting for a charity must attach a letter of permission from

their chosen Charity to the Application Form.

10 Please note that only a limited supply of water will be available for general use, and this will not be suitable for human consumption.

11 The Fair is opened officially at 12.00 following the arrival of the Procession.

12 To ensure Field and Marquee preparations are completed, **PLEASE DO NOT ARRIVE BEFORE 08:30 ON SATURDAY.**

13 Signing or Submitting the Application Form means that you acknowledge and agree that you and your authorised helpers participate in the Fair entirely at your/their own risk in every respect, and that you absolve the Shepperton Village Fair Committee and its authorised helpers from responsibility for such risks, including personal injury, loss or damage to property (including damage or loss to you and your helpers), however this injury, loss or damage may be caused whether by fire, theft, inclement weather, power, defect in the equipment and buildings and/or infrastructure.

14 It is advised that all stallholders consider Public Liability Insurance in the event of claims against them. It is also strongly advised that stallholders carry out a Risk Assessment relevant to their intended activities. This is not red tape. It means that you have thought through what could go wrong and acted to prevent it doing so. Guidance on risk assessment is given on the Government's Health and Safety Executive website [www.hse.gov.uk/risk/casestudies](http://www.hse.gov.uk/risk/casestudies)
